Each meticulously crafted piece of Artistic communion ware is designed to honor and glorify the solemn and sacred act of receiving holy communion. Our communion ware covers bear the holy cross, encircled and supported by a three-tier pedestal, which symbolizes the Holy Trinity—a reverent foundation that is forged into a host of other Artistic Churchware creations. During and following communion service, the communion cover can be placed on its base as a symbolic focal point on the altar, alongside the communion tray and bread plate. Together, our communion ware pieces serve as humble vessels through which the body and blood of Christ may be received by all believers.

NOTE: Never use a dishwasher to clean any Artistic metal. For care instructions, see "Selection and Care of Artistic Metals" on the inside front cover.

SILVERPLATE has an unduplicated beauty. Artistic selects the finest solid brass pieces, hand polished to perfection. Then we plate them with the purest of solid, silver bars. Pieces occasionally need polishing with a fine standard silver polish.

BIO-KHROME radiates a unique, warm luster with an exclusive urethane finish that is solvent free and environmentally safe. An alternative to plated chrome, easy-care Bio-Khrome will not tarnish and is as durable as brass.

CHROME has a plated, mirror-like finish that may be wiped with a soft cloth or washed in lukewarm water. Allow 12 weeks for delivery.

SOLID BRASS radiance is protected by an exclusive urethane finish which will give years of worry free use

COPPER gives a stunning and contemporary look. Its rich luster is protected by an exclusive urethane finish that will give many years of maintenance-free use.

BRASSTONE ALUMINUM has a permanent, polished finish due to an exclusive anodizing process. It never requires polishing, and the beautiful finish matches other brass appointments.

SILVERTONE ALUMINUM has a permanent, polished finish due to an exclusive anodizing process and will never tarnish.
