# BARSANTI

MARBLE • BRONZE • MOSAIC

## Bronze

Since 1882 the BARSANTI family has been creating in Pietrasanta, also known as the “little Italian Athens”, high-quality hand-crafted works in marble, bronze and mosaic. Each work realized is unique, crafted on the basis of a specific requirement of the client for that which concerns dimensions, model, choice of material and finish. The last heir, Emanuele Barsanti, has been carrying forth for decades the activities of the company founded by his great grandfather, MARTINO BARSANTI, exporting all over the world his masterpieces, under the name of BARSANTI MARBLE BRONZE MOSAIC. The name BARSANTI is synonymous with high quality, both for the expertise with which works are realized as well as for the choice of materials. Statue sizes from 2' to 6'. Custom sizes available.
